

HEY!

Have you qualified for free school meals, or Could you be the first of your family to go to University?

Access Accountancy helps talented and ambitious young people from less advantaged backgrounds into the accountancy profession.

At Approachable Accountants, we are proud to be offering successful students a week's work experience this year.

You don't need your own transport. After an initial meeting you can work with us from your own home using the latest cloud technology.

If you have gained, or expect to gain, five GCSEs grade A to C and 3 A levels at least grade C and you meet the criteria above, email your CV and a short statement saying why you'd like accountancy work experience to hello@approachableaccountants.co.uk. See our website or the Access Accountancy website for more information.
